SUBMISSION INFORMATION

1. The World Biennial of Student Photography is open to all **undergraduate** and **graduate** students of academies and colleges where the discipline of photography is part of the curriculum.
2. **Theme:** there is **no prescribed theme** to the competition; we welcome all subjects and themes realized within the study programme. All photographs must represent the student's original work created as part of **photographic practice at their educational institution**.
3. All participants **must be full or part-time students** enrolled into an academic institution (university or college) at the time of applying for the competition. If the works are shortlisted for awards, we will ask for a confirmation of enrolment from the student's home university.
4. **Number of works:** each student can send **up to 10 photographs** from only **one photographic series** or body of work. This can be accompanied with a short description of the work (up to 200 words). If the work is in the form of a **photo book**, please send both the selection of up to 10 photographs and provide a link to the page where the whole book is presented.
5. **Format:** the shorter side of the image should not exceed 35cm, 300 dpi sRGB, JPG or PDF. **The files should not exceed 10 MB per image**. The **name** of the photography files must contain the name and surname of the student. For example if student's name is Johann Strauss the file name should be Johann Strauss 1.jpg, Johann Strauss 2.jpg...
6. **Technique:** There are no limitations on techniques or realization of the photographs.
7. **There is no entry fee.**
8. **Apply through the online form and submit all required materials at <http://app.studentbiennial-ns.com>**

The entry deadline is 20th October 2017.
